

Smartcare

Holiday care

Tel: 01829 741608

Dear All

Welcome to a new school year of Smartcare. We are starting off with a week of Harry Potter, chosen by the children in the summer. Heather and Ray will be there as usual for this exciting week. We have lots of variety on offer so there will be something for everyone to enjoy.

During the Summer Ofsted came to inspect the Smartcare setting in Waverton and although we could not be awarded outstanding (mainly due to the fact the facilities do not lend themselves to the children being allowed in and out of the building with free access at all times) we have had a fantastic report. Some of the quotes are;

“Children’s welfare is given a high priority within the setting where they are fully safeguarded through robust recruitment and employment procedures”

“Parents comment the care is fantastic with a very friendly approachable and accommodating staff”

“ The holiday schemes are organised around an enticing weekly themes. Children are motivated and eager to participate as active learners”

“ An exemplary range of healthy nutritious meals and snacks are cooked on the premises each day”

We are in the process of having the full report printed for those of you who are interested, but I am sure from the above quotes you can see they were very happy with the standard of care we offer.

We hope you will understand that we have had to increase our fees. This is the first time in four years we have done so, and we can verify the fees are still more than comparable to other holiday schemes.

Finally we are starting a ‘Blog’ on the www.smartiesnursery.com site. This will have lots of information and photographs on showing the Smartcare holiday club activities, dates we are open and booking forms. We hope it will be in operation before the holiday club starts in October, but we are having to learn how to operate it so be patient with us! We do hope in the future this will be a great way of communicating with you all.

We hope you will be joining us over the next few holiday clubs. It is a great way to make new friends and keep in touch with old ones.

Our very best wishes

Annie Heather Ray and the Smartcare team
